Yellow

Cheerful sunny yellow is an attention getter. While it is considered an optimistic color, people lose their tempers more often in yellow rooms, thou this is a lucky color for this number, it is advisable to use this color thriftily, mixed with peace feeling color i.e. white, as anger is not advisable for people born with number one. Also this color could be overpowering if overused. Yellow color helps in increasing concentration, hence it can be used in the office and the directors/owners cabins especially on northeast wall as it would help in speeding up metabolism.

Bedroom 1 Color scheme recommendation for user 1: Sharad Gandhi

Living Room	Off white, beige would be the best recommended colors for this room and to reduce the effect of excessive hyperness have curtains and soft furnishings with touch on blue or green with background of browns.
Office Cabin	As the lucky color for this number one is Yellow and as also the person is suppose to be creative, the opposite wall faced while working in the cabin should be colored light Yellow or cream as this would help him to be more creative and concentrate properly.

Fengshui Recommendation for kua no : 4 & Element : Wood

Represents heaven and earth and male and female, this symbol helps the user to have harmonious relation in house and office. Recommended to fix Ying Yang out side the main door on right.

A Symbol with eight sides which represent eight different aspect of life like health, wealth etc.. and a round convex mirror in center helps to ward off negative energies entering the premises. Recommended to fix Pakua in living room opposite the sofa set sitting.

This is very important symbol in Feng Shui as this object gives positive vibration leading to prosperity. Recommended to keep prosperity statue on right side of the bed in master bedroom.

Most effective Gadget to neutralize the negative energies in the premises and stimulate positive energies. Recommended to hang good quality brass wind chime on west window in summer and rainy season and on east window in winter season.

Analysis & Interior Recommendation

This is a very sensitive sign, very moody, so it is advisable to surround them with very artistic interiors where, emphasis should be on craftsmanship rather than workmanship. This sign people like period furniture or interior concepts based on matured styles e.g. Spanish, Greek, Roman, and Indian etc. As this sign people are more of intellectual worker rather then hard worker a secluded corner could work miracle for them, so a small study over looking exterior greenery will help them to be creative and spiritual. Cancer is home lovers, so the decor has to be very detailed and based on past periods otherwise they would become uneasy in contemporary decor. Good music/sound system would be their liking. Wall should be used to display their collection as they like to collect antiques or old things. Cancerian and his office - As they are day dreamers and creative it is advisable to use plants around them or good paintings so as to help them lift up their spirits a good wood finish table with a comfortable wooden chair will please them. Office and home can be finished in natural finish like wooden furniture, marble flooring, floral designed soft furnishing and use of plants.

Zodiac Sign: Scorpio

Analysis & Interior Recommendation

They are a strong personality, extremely sensitive, moody and showy. They can have a luxurious house. It is suitable for them to have contempt nary furniture with excellent workmanship. This combination people like to spend lavishly on furniture with value i.e. pure wood instead of ply, they normally like to buy showy furniture and would be the highest bidders in any auction. The environment in the house has to be very peaceful and loving as it is closely linked to their success. As they are very moody the decor has to be very balanced any unbalanced shapes around them will upset them fast. Pastel color finish is what they like so use of vitrified tiles, granite, duco painted furniture and glass is advisable. Garden for them is very easy to maintain as they are normally born with green thumb. As this is an earthly combination they like to enjoy the present so it is advisable to design a decor which they can show of. They should have an exterior with greenery or probably even a small garden. Scorpio combined with numerology of his number will be quite confident in his behavior and would also be very commending as well as demanding so it would be advisable to decor the house in such a way so that his ego gets properly satisfied.

Now avail the benefits of Vastushastra on "Vastuadvisor" android application & get fully computerized Vastu-Kundli (Vastu Report with Recommendation) of your premises and tentative room plans

Do it yourself "Vastuadvisor" software is an android app wherein once the details of a house or an industrial or commercial unit are fed in; it gives a report on the merits and demerits of the premises as per the tenets of Vastushastra. At the end of the report the percentage of adherence after correction is given and the most interesting thing about the software is that it allocates weightage to different tenets. This is followed by recommendations which try to counter balance the negative aspects of the premise with additional positive elements. There are thousands of tentative plans in this software which comes with maximum accuracy. The uniqueness of the software is its neutrality, where every effort has been made to be as objective as possible and the evaluation of every situation, as scientific as possible. The weightage factor is truly unique, in that no situation is branded as 100 per cent good and 100 per cent bad. It recognizes the varying shades of benefits, albeit however little a particular situation may have to offer. Therefore, this software almost guarantees an accurate assessment for each and every evaluation. The recommendations are user friendly. They invite client participation with an enlightened approach to even the mundane and routine domestic activity. This is the first time that anyone is offering such fully computerized services.
